Frequently Asked Questions

Can I watch my friends/family from the first platform?

The only people allowed on the platforms are people who are zipping. Guests that are not zipping may choose to watch from the road next to the Zip Line platform, however they do so at their own risk and would need to have their own transportation. Hogsback Road has a high volume of traffic, particularly in the summer months, and there is not currently a pedestrian walkway. Pedestrians may use the road at their own risk, but this is not recommended.
